INSTITUT D'ETUDES POLITIQUES

ENTRANCE TEST: 2012
Choose (c). Procedure means "plan of action" and instruction means "order of steps". Therefore, you should have an instruction before you have a plan of action. Example: (c) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the instruction. (c) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. 6. Example: (c) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. 7. Example: (c) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. 8. Example: (c) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. 9. Example: (c) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. 10. Example: (c) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. 11. Example: (c) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. 12. Example: (c) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. 13. Example: (c) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. 14. Example: (c) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. 15. Example: (c) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction. (d) Choose the next step in the procedure. (c) Choose the next step in the instruction.
Now begin work on the question:

The sentence should read: "Setting several LiNeS in Congress, Sherry Chapman became an important United States political leader."

Sample answer:

Example II

Sample answer:

The sentence should read: "Ciphers are sometimes called window pain because of the number of different colors."

Example I
